

Article 6
Modification of Concessions

1. The Parties shall not nullify or impair any of the concessions under this Agreement, except in cases provided for in this Agreement.
2. Nothing in this Agreement shall preclude any Party from negotiating and entering into arrangements to accelerate the implementation of concessions made under this Agreement or to incorporate new goods into such concessions, provided that such arrangements are mutually agreed upon and applied to all the other Parties.
3. Any Party may, by negotiation and agreement with any other Party to which it has made a concession, modify or withdraw such concession made under this Agreement. In such negotiations and agreement, which may include provision for compensatory adjustment with respect to other goods, the Parties concerned shall maintain a general level of reciprocal and mutually advantageous concessions not less favourable to trade than that provided for in this Agreement prior to such agreement.
4. Any agreement by the Parties to modify or withdraw concessions made in the tariff reduction or elimination programme in accordance with paragraph 3, or to accelerate the elimination of tariffs in such programme or to incorporate goods into such programme in accordance with paragraph 2, shall supersede any tariff rate or track determined pursuant to the tariff reduction or elimination programme for that good as set out in Annexes 1 and 2, shall be treated as an amendment to the relevant Annexes and shall enter into force in accordance with the procedure under Article 17.
